Review report to the unit holders of NBO GCC FUND

Introduction

We have reviewed the accompanying interim statement of financial position of NBO GCC Fund (the fund) as at 31 March 2014 and the related interim statement of comprehensive income, statement of changes in net assets attributable to the unitholders and statement of cash flows for the three month period then ended, and a summary of significant accounting policies and other explanatory notes (the unaudited interim financial information).

The Directors are responsible for the preparation and presentation of the unaudited interim financial information in accordance with the International Accounting Standard 34—'Interim Financial Reporting' and the requirements set out in the Rules for Disclosure and Proformas issued by the Capital Market Authority. Our responsibility is to express a conclusion on the unaudited interim financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unaudited condensed interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 — 'Interim Financial Reporting' and with the minimum disclosure requirements as set out in the Rules for Disclosure and Proformas issued by the Capital Market Authority.

1 Legal status and principal activities

NBO GCC Fund (the fund), was established as an open ended investment fund, in accordance with the Capital Market Authority Law. The fund obtained its license on 10 July 2013 and commenced operations on 15 August 2013. The terms and conditions of investment as well as the restrictions relevant to the fund were specified in the fund prospectus.

National Bank of Oman SAOG (the managing company) is responsible for the management of the fund and for investing and broking activities on behalf of the fund.

Gulf Custody Company (the custody) is appointed as the custodian of the Fund. Fund's assets will be kept with the custodian whose principal place of business is within Oman, for foreign transactions the custodian may appoint a sub custodian and will not exonerate the main custodian of any of its obligations.

The primary objective of the fund is to generate dividend income along with capital growth from an actively managed portfolio comprising of companies listed in GCC markets, which may have potential to yield dividends and with limited exposure to other equity and fixed income opportunities in the region.

2 Basis of preparation

This unaudited condensed interim financial information (interim financial information) for the three months ended 31 March 2014 has been prepared in accordance with IAS 34, 'Interim financial reporting' and in compliance with the disclosure requirements set out in the Rules for Disclosure and Proformas issued by the Capital Market Authority of the Sultanate of Oman. The interim financial information should be read in conjunction with the annual financial statements for the year ended 31 December 2013, which have been prepared in accordance with International Financial Reporting Standards (IFRSs).

The fund commenced operations on 15 August 2013 as a result there are no comparative numbers present in the unaudited condensed interim statement of comprehensive income, statement of cash flows and statement of changes in net assets attributable to unit holders.

3 Significant accounting policies

The principal accounting policies applied in the preparation of the unaudited condensed interim financial information are set out below.

(a) Standards, amendments and interpretation effective in 2014

For the period ended 31 March 2014, the Fund has adopted all of the new and revised standards and interpretations issued by the International Accounting Standards Board (IASB) and the International Financial Reporting Interpretations Committee (IFRIC) of the IASB that are relevant to its operations and effective for periods beginning on 1 January 2014.

The adoption of those standards and interpretations has not resulted in changes to the Funds' accounting policies and has not affected the amounts reported for the current period.

(b) Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Fund:

The following standards, amendments and interpretations to existing standards have been published and are mandatory for the Fund's accounting periods beginning on or after 1 January 2015 or later periods, but the Fund has not early adopted them and the impact of these standards and interpretations is not reasonably estimable as at 31 March 2014:

- IFRS 9, 'Financial instruments', (effective on or after 1 January 2015);
- Amendments to IFRS 13, 'Fair value measurement' Annual periods beginning on or after 1 July 2014

NOTES TO THE UNAUDITED CONDENSED INTERIM FINANCIAL INFORMATION FOR THE THREE MONTHS PERIOD ENDED 31 MARCH 2014

4 Estimates

The preparation of interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim financial information, the significant judgements made by management in applying the funds' accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2013.

5 Financial risk factors

The Funds' activities expose it to a variety of financial risks: market risk (including currency risk and interest rate risk), credit risk and liquidity risk. The interim financial information do not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with the annual financial statements as at 31 December 2013. There have been no changes in the risk management policies since year end.

6 Financial assets at fair value through profit or loss

(a) Financial assets at fair value through profit or loss comprise of listed marketable securities and are measured at fair value at the close of business on 31 March 2014. The fair value is determined by reference to the stock exchange quoted closing prices.

⁺ Not annualised

Net Asset Value (NAV) is calculated by dividing the net assets by the number of outstanding units at statement of financial position date. Total return, growth of an assumed investment and simple return are based on the dividends paid to the unit holders, and the growth in the net asset value during the period. These ratios are based on, or affected by, the price at which the units were purchased in the market, or the price for which units may be sold in the market.
